June 2009

There were **20** residential burglaries during the month of May, with **0** occurring at an active Block Watch residence.

FIREWORKS BAN IN EFFECT IN THE CITY OF RENTON

In an effort to protect citizens and their property, fireworks are banned in the City of Renton.

Since 2005, there has been a total ban on the use, sale and possession of any fireworks within the city limits of Renton. Residents are reminded that it is illegal to possess or discharge fireworks of any kind in the city of Renton throughout the year, including the 4th of July.

In 2008, there were 115 firework related calls on the 4th of July and \$7,600 in property damage over the course of the entire fireworks season. The ban is being credited with the reductions the Fire & Emergency Services Department is seeing in the number of painful firework-related injuries and costly property losses resulting from the use of fireworks.

Violators are subject to both criminal and civil citations, confiscation of fireworks, and possible fines of up to \$500. Additionally, the sale, possession, and use of explosive devices such as M-80's, M-100's, and homemade or modified fireworks are a felony offense and violators will face criminal prosecution. To report violators, please call 9-1-1.

To enjoy fireworks in a safe environment, citizens are encouraged to attend Renton's public fireworks display held on Friday, July 4th, at Gene Coulon Memorial Beach Park in Renton. The event will feature a variety of activities for the kids, exciting stage entertainment, as well as restaurants and concession stands. The day will end with a 20-minute fireworks display beginning at 10 p.m.

For more information about the fireworks ban, please contact the Renton Fire & Emergency Services Department at (425) 430-7000. For information on Renton's Fabulous 4th of July Celebration, call (425) 430-6600 or visit rentonwa.gov.
